Mission: ATVP empowers individuals affected by domestic violence, sexual assault and abuse and stalking. We work to create a safe and equitable community through education and prevention.

Vision: We envision our community being safe, equitable and free from oppression.

Inclusion Statement: ATVP affirms the right of each person to live without fear of the threat of violence. We recognize that all forms of oppression create a climate which enables gender based violence. We honor and advocate for individual autonomy and self-determination for members of our community. We believe that education is the foundation of creating a safe and equitable community, and the inclusion of youth is imperative for sustainable social change.
